

PET Packaging Network

Solutions for the PET packaging Industry today.

PET Packaging Network would like to inform that, through our strategic partnership with **CanNeed**, we may now offer our clients quality control equipment, to analyze the quality of PET and glass bottles, as well as beverages and food cans.

CanNeed Instrument is a company based in Hong Kong, offering inspection instruments and quality control equipment for the beverages, brewery and can making industries.

The company has already provided its services to customers such as Budweiser, Coca-Cola, and Ball Metal Container, among others.

QC Equipment For Beverage Industry

Beer & Beverage

PU-200 Pasteurization Temperature Monitor	CAN-125B Pasteurization Temperature Monitor	DGM-100 Portable Digital Beverage CO ₂ Meter	GMT-100 Beverage CO ₂ Meter / Gehaltemeter	DO-100 Dissolved Oxygen Meter, (on-line)
BCC-200 Digital Beverage CO ₂ Calculator	BCC-7001 Digital Beverage CO ₂ Calculator	AS-200D Digital Autoshaker Beverage CO ₂ Calculator	FST-100TPH Foam Stability Tester	ISD-3000 Piercing and Sampling Device
CAN-5001 CO ₂ Tester and Pressure Tester	CAN-7001-T CO ₂ Tester and Pressure Tester	CAN-5000 Air Meter	PCD Pressure Calibration Device	L-100 CO ₂ Purity Tester
ASS-100 Angle Swinging Shaker	BT-100 Bottle Turner	CND-SST-3 Secure Seal Tester	MB-8A+ Auto Mashing Device	FHG-100 Fill Height Gauge

Can and End

				
<p>Seam-X-Lab X-Ray Automatic Seam Scanner, (non-destructive)</p>	<p>Seam Sight-B Full Automatic Seam Monitor</p>	<p>CSS-1000 Anti-noise Seam Saw</p>	<p>CSG-200 Countersink Gauge(digital)</p>	<p>STR-100 Seam Stripper</p>
				
<p>SCG-200 Seamer Clearance Gauge</p>	<p>RPG-100 Profile Gauge for Roll and Chuck</p>	<p>CAN-1050D Digital Can Closing Force Gauge</p>	<p>CAN-10774 Planer and Shaper Pin Height Gauge</p>	<p>CSM-208 Can Seam Micrometers</p>
				
<p>DER-400 Digital Enamel Rater</p>	<p>AXL-4000 Axial Load Tester</p>	<p>CBT-300 Buckle Tester Bottom for Can</p>	<p>PTT-300 Pop & Tear Tester</p>	<p>EBT-300 Buckle Tester for Loose Ends</p>
				
<p>CMT-200 Mobility / Lubricity Tester for Cans</p>	<p>ELT-100 Leak Tester for End</p>	<p>FWG-100-D Flange Width Gauge (digital)</p>	<p>CCAT-100 Can Comprehensive Abrasion Tester</p>	<p>SM-24 Electric Belt Drive Seamer</p>

PET Bottle & Preform

PEBT-4000

PET Bottle Pressure Tester (Burst Tester)

CND-SST-3

Secure Seal Tester

CND-SST-300

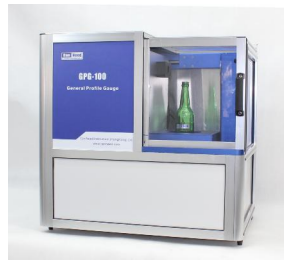

Secure Seal Tester (3 stations)

DSST-100

Digital Secure Seal Tester

MBT-300

Magnetic Bottle Thickness Gauge

HWC-100

Hot Wire Bottle Cutter

TLT-200

Top Load Tester

GPG-100

General Profile Gauge

PEPT-100

PET Bottle Perpendicularity Tester

PPG-200

Preform Perpendicularity Gauge

FHS-100

Fill Height Syringe

PCT-100

PET Bottle and Preform Cutter

DHG-300

Digital Can Height Gauge

BCG-100

Base Clearance Gauge

PETG-100d

PET Bottle Embryo Thickness Gauge (digital)

CPG-200

Canners Pressure Gauge

ATT-100

Automatic Torque Tester

CND-TT-200

Torque Tester

STT-CAL

Torque Tester Calibration Tool

GNG-100

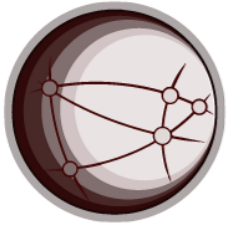

"Go-no-Go" Gauge

Glass Bottle

				
BPT-4000 Ramp Pressure Tester (automatic 2 stations)	BPT-4 Ramp Pressure Tester (automatic)	VLT-100 Vertical Load Tester	GPG-100 General Profile Gauge	MBT-300 Magnetic Bottle Thickness Gauge
				
VAT-300 Perpendicularity Tester for Bottle (auto)	GIT-100 Glass Bottle Impact Tester	BBTG-200 Bottle Bottom Thickness Gauge(digital)	BWTG-200 Bottle Wall Thickness Gauge (digital)	DHG-300 Digital Can Height Gauge

Crown Cap

			
CND-SST-3 Secure Seal Tester	CCST-100 Crown Cap Secure Seal Tester	DER-400 Digital Enamel Rater	CTG-300 Coating Thickness Gauge
			
BLT-100 Tumbling Tester for Crown Closures	HDY Crown Height & Thickness Tester	CAG-100 Crown Angle Gauge	FGJ Manual Crown Sealing Machine
			
CAN-7001-T CO2 Tester and Pressure Tester	SCDG Crown Gauge	CODG Cap Outer Diameter Gauge	CIDG Cap Internal Diameter Gauge
